The REX HOME is a beautifully designed home located on a quintessential All-American cul-de-sac within the heart of Santa Clarita. The REX HOME is a contemporary home with well-appointed features reminiscent of Restoration Hardware. The REX HOME offers an open-concept floorplan, including two separate ways to enter the kitchen, allowing for a wide variety of camera angles. Downstairs you will find three bedrooms and upstairs you will find the master suite as well as an office/school loft. Outside the REX HOME offers a small backyard lawn, a modern children's playhouse as well as a small pool. The REX HOME is available to scout at your convenience.
