

## **ALEMANY HIGH SCHOOL --- MAIN BUILDING**

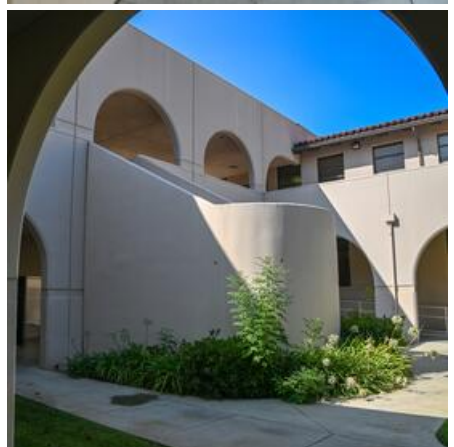

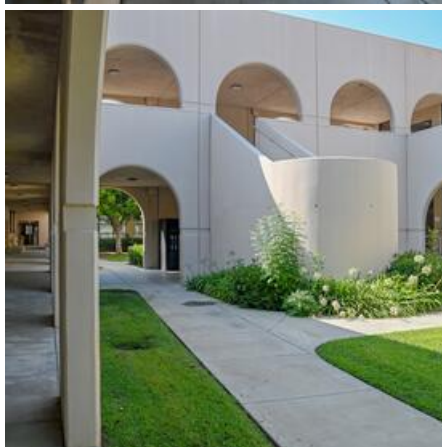

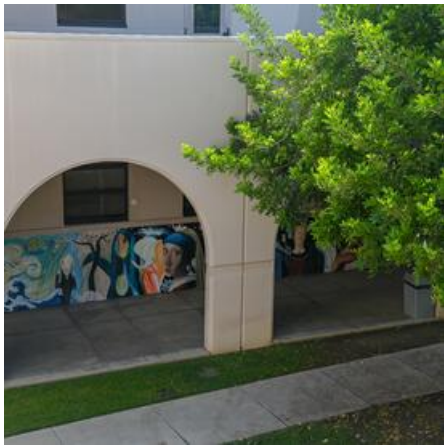

### **Location Photos**

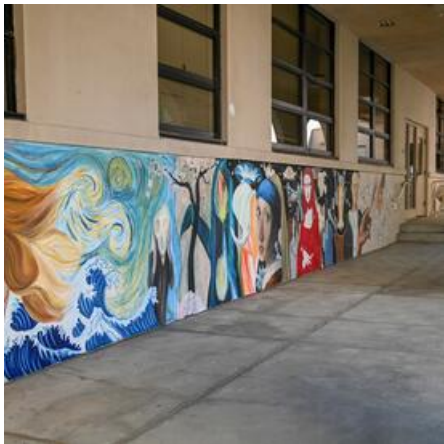

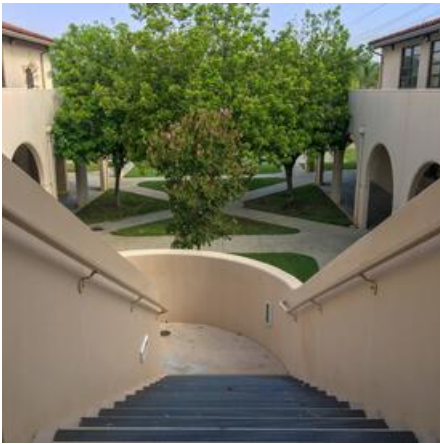

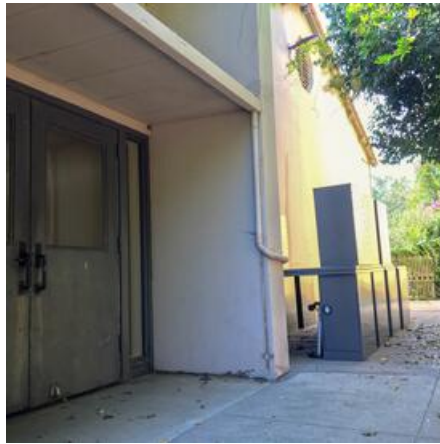

## Image Zip File

[main-building.zip](#)

ALEMANY HIGH SCHOOL is located within the Studio Zone in Mission Hills and offers classic California Spanish architecture. Multiple covered exterior walkways and courtyards throughout the MAIN BUILDING allow for a variety of looks. The Back Exterior of the Main Building offers a completely different look, akin to military barracks, a 1950's office building or even an old school hospital.
